

Dadasaheb Phalke Chitranagri (FilmCity)

Ever since the first film was screened at Watson Hotel in Mumbai in India, way back in 1896, the motion picture industry has captivated millions of audiences and unleashed a vast potential. The pure passion then discovered manifested itself into the world's largest film producing Nation - India.

India produces close to one thousand feature films every year -including films in Hindi and several regional languages besides documentary films, short film, TV Serials & Commercials Advertising Films. The Entertainment industry has created employment potential for over four millions people. With growth, came technology. India sourced its technological requirements from the best in the world and created, creative and technological support services, comparable with the best, in the world.

Filmcity, Mumbai. A world of wonder. A world where you can put your imagination to the test and Shoot out your thoughts. The Indian Film Industry is one of the largest in the world and Mumbai accounts for almost 60% of film productions. Over the last hundred years, the Indian Film Industry has grown by leaps and bounds and has undergone amazing technological changes.

Now the Indian film industry is also corporatising, globalizing and evincing immense international interest. To accelerate this growth we have created a ready to shoot, pollution free infrastructure to give momentum to your passions in Filmcity. Film City is an integrated film studio complex situated at Goregaon, Mumbai in India. It has several recording rooms, gardens, lakes, theatres and grounds that serve as the venue of many Bollywood film shootings.

Maharashtra Tourism Development Corporation

Maharashtra Tourism Development Corporation (MTDC) has been established under the Companies Act, 1956, (fully owned by Govt. of Maharashtra) for systematic development of tourism on commercial lines, with an authorized share capital of Rs. 25 crore. The paid up share capital of the Corporation as on 31st March 2008 is Rs.15.38 lakhs. The Corporation receives from the State Government financial assistance in the form of share capital and grants. The State Government has entrusted all commercial and promotional tourism activities to this Corporation. MTDC has, since its inception, been involved in the development and maintenance of the various tourist locations of Maharashtra. MTDC owns and maintains resorts at all key tourist centers and having more resorts is on the plan.

Bollywood is one of the biggest film industries in the world. People come from remote parts of India just to get a glimpse of their favourite film stars camping outside their homes and even wait for several days. With our new offering, we will take tourists not only around the residences of the stars but also on film and TV show's sets. They can see live shooting and if lucky, spot the film stars on the sets." Said, Dr Jagdish Patil, Managing Director, MTDC
